Welcome to
SOON VALLEY
 An Eco-friendly Tourist Destination

SOON VALLEY

Soon-Skessar is a wonderland located in the heart of Pakistan and has unique geographical features which are Uchali, Khabeki and Jhallar Lakes. Soon-Skessar Valley was called as Koh-e-Jodh in ancient times and is the most beautiful part of Salt Range. It is a valley of lakes and springs, lush green fertile fields, versatile mountains, amazing landscape, dense mixed forests, sanctuaries of wildlife, peoples of high traditions, rich archaeology, pre-historic sites, ancient history and much more.

Khabeki Lake

Uchali Lake

Kanhatti Garden

Kallar Kahar

Jhallar Lake

Daip Sharif Chasma

How to Reach there:

Soon Valley is accessible through Motorway (M2). If you are coming from Rawalpindi/Islamabad via M2, you will exit through Balkasar Interchange. From Lahore via M2 exit through Kallar Kahar Interchange.

Explore Soon Valley with TDCP:

Tourism Development Corporation of Punjab (TDCP) is working on a comprehensive and sustainable eco-tourism programme for Soon Valley, which will include the development of facilities at three different sites in the area: Kanhatti Gardens, Khabbeki Lake and Uchali Lake, and will also contribute towards fostering the development of ecotourism activities in other regions of Pakistan.

Work is completed to create tourist friendly signage and facilitate public amenities such as park benches and waste litter bins at the project site locations.
